FOREWORD

★

The months of the year are torn from the calendar one by one, and now it is time for us to leave Cumberland and face a new world.

It is with the hope that through the coming years, this book will help us reminisce over friends, fun, and achievements that we, the class of nineteen hundred forty-seven, proudly present the Cumberlander.

DEDICATION

★

The rifles and grenades have been laid aside. The battle ships have been stripped of their arms. The motors of the huge bombers are still. Peace has once again come to this earth. The world that has known six horrible years of war is putting the wheels of progress into motion again.

Many of the boys are home, their chests covered with medals. Some will have to wait until their wounds heal before they can come home, but they will come. Our greatest heroes never will return. They lie on the lonely isles in the Pacific, in Normandy, North Africa and other far flung parts of the earth. A white cross tells their story.

It is to these students and alumni of Cumberland Township High School, who have paid the supreme sacrifice, that we, the class of nineteen hundred and forty-seven humbly dedicate this book.

The Board of Education appreciate the honor of having this page in the Cumberlander and the opportunity of expressing congratulations and best wishes to the Class of 1947.

Every possible effort has been made to provide the students with modern equipment and improvements which we hope have made your short stay at Cumberland more profitable and enjoyable.

D. P. VENEN
Principal

I am honored by the Cumberlander Staff in being permitted to express to the class of 1947; my appreciation for the fine spirit of cooperation and my good wishes for your future.

One thought I would like to leave with you is expressed in the following words of Theodore Roosevelt:

"Far better is it to dare mighty things, to win glorious triumphs, even though checkered by failure, than to rank with those poor spirits who neither enjoy nor suffer much, because they live in the gray twilight that knows neither victory nor defeat."

BLESSED EVENT—CLASS OF "47"

Four years ago a group of one hundred and twenty-eight frightened and uncertain Freshmen entered the portals of Cumberland Township High School. We took our initiation and hazing as good sports and then settled down to work the best we could. This first year we elected no officers but were normally active for a Freshman Class. Some of us were active in sports while others participated in the Dramatic Club, Mike Staff, F. C. A. and the Girls' Chorus.

In the fall of 1945 we were gathered together as the supposedly wiser Sophomore Class. We elected as our leaders for the year: Ramon Palcko as president, Edward Tarlosky as vice-president, and Robert Roth as secretary-treasurer. We chose the red rose as our class flower, and red and white for our class colors. Many of our Sophomore boys were making progress in football and basketball. Others were beginning to be interested in the extra curricular activities and were getting some attention from the upper classmen.

The Junior year found us jolly and earnest in zeal as Juniors should be. This year we elected Robert Rutter as president, Joseph Novotny as vice-president, Evelyn Bodovinac as secretary, and Doris Evans as treasurer. In the middle of the year the Pennsylvania Junior History Club was organized by Mr. Palone, our history teacher. Our most exciting event of the year was the Junior dance with the delightful music of Sammy Castle's Orchestra. The Juniors participated in football, basketball, track, and baseball. One of our brilliant juniors, Robert Roth, brought home first place in history from the County Scholastic Contest.

As our last and memorable year rolled along, we chose Ralph Curtis as our able president, Kay Bystry as our vice-president, and Bob Doody as our Secretary-treasurer. This year the boys really showed us their ability to play football. The senior members of the team were: Curtis, Jackson, Koballa, Bishop, J. Clarchick, Ketchem, R. Doody, Haney Palcko, and Udovich. The team won the honor of having the title of Greene County Chumpions and some of the boys were named on the All-County Team. The boys named as all-county players were: Jackson, E. Koballa, Curtis and Rutter. The Seniors were extremely active this year. We took part in the assembly programs sponsored by the clubs and classes. National Honor Society, Girl's "C" Club, Varsity C Club, F. C. A., History Club, Mike Staff, Scholastic Club, Cumberlander Staff, Press Club, Library Council and Student Council. For the first time in quite a few years the senior class sold Christmas cards and subscriptions to magazines. We hope to help finance the year book and the prom. It is being planned to have a senior play in the near future. This is something we have been wanting and anticipating. We hope it will go off with a bang. The Senior membersof the Junior History Club also expect to go to Washington, D. C. this year. We want to visit the historical spots.

JUNIOR CLASS HISTORY

In 1944 we entered Cumberland Township High as green as they come and greater than any, we thought. But after the usual initiation procedure most thought of greatness had disappeared. We were not given as extreme an initiation as had been given in the last few years, but we had our share of the fun. (It was fun even though it was at our expense.) During our first year, class officers were not chosen; only homeroom officers.

During our sophomore year we elected Dominick Christy as president, Charles Koral as vice-president, Jack Hartley as treasurer, and Dolores Bankovich as secretary. That year our class sponsored two sweater hops. Finally we were finding a place all our own in the school world. By that time we were becoming well represented in the clubs and organizations.

At last our big moment has come—we are upperclassmen—juniors, to be exact. This year we chose as our leaders: Frank Bodnar, as president, Dominick Christy as vice president, and Dolores Palcko as secretary-treasurer. We have contributed Waine, Paoli, Pevarnik, J. Markievich, Anderson, Bandish, Olschesky and Bodnar to the football team. We were represented in basketball by Christy and Mt. Joy. Our crowning achievement was that lavish extravaganza, the Junior Yuletide Dance. Our superb music was furnished by Bill Francis. The gym was beautifully decorated in traditional Christmas colors. Altogether the affair was very delightful. We owe the success of this dance largely to our capable president Frank Bodnar and also to our class sponsors Miss Ross, Mr. Palone and Mr. Crago.

We look forward to the many exciting moments and events which we know will come with our senior year.

We wish to extend our best wishes for success to the graduation "Class of 47" We will miss seeing you in the halls of C. T. H. S.

SOPHOMORE CLASS HISTORY

In our future years in Cumberland High School, the class of "49" will probably think that its sophomore year was the best and most exciting. As sophomores we had definitely outgrown our shyness and timidity as freshies and had become regulars around C. T. H. S. We wasted no time in organizing, and the officers which we chose to direct our affairs for the year were: Mary Wil iamson, president; Stanley Yandura, vice-president; and Ann Medunic, secretary-treasurer. Our first social event was a skating party at Fern Cliff Roller Rink— a huge success. We repeated as pin ball champions this year. Beware, you pin ball players, the juniors next year are out for that championship again.

For Cumberland's future varsity we offer such promising sportsmen as: Carter Dowlin, Michael Korcheck, Bill Cihon, Bill Clarchick, David McClarren, Bill Valla, Bill Cole, Melvin Harrison, and Eddie Palone.

And now the sophomore class wishes to extend to the seniors heartiest congratulations and our best wishes for their success.

★

It all began on that eventful day of September 2, when we became students of Cumberland Township High School. After emerging from the customary first day proceedings, we were ready to begin to further our education. But the upper classmen were not through with us. They had plans for our initiation day.

Therefore, on September 13 we came to school wearing signs advertising the football game with East Bethlehem. In the afternoon we marched around town accompanied by the band. But what was it that made the people stare so? It must have been our manner or dress. Both boys and girls wore blouses with the skirts upside down and inside out, tied with rope, one stocking and one anklet, and two different shoes. The girls had their hair in pin curls and no make-up, while the boys used bandannas and wore make-up. After a few hearty cheers for our new school, we returned and marched across the gridiron where prizes were awarded. Edward Orlosky, Joseph Lapsevich and Robert White were the best dressed, and Isabella O'Laughlin had the best sign.

Since then we have taken an active part in school life. We have elected our class officers and Student Council representatives. Several have gone out for band and belong to various clubs.

R. Balog, T. Cerquera, S. Korcheck, E. Krutko, J. Lapsevich, B. Novak, F. Novak, A. Valli, and T. Waggett are boys who have excelled in basketball.

We now look forward with eager anticipation to next year when we will be sophomores and there will be other "freshies."

BAND

At the beginning of the school year thirty-one new members joined the band, making the total number sixty-nine. Interest and enthusiasm ran high, for this was the first year that Cumberland had a full time music instructor. Mr. Franks came to us from Georges Township where he had several years of successful band work. New music and drills were introduced and the result was a band which was outstanding among others in the district.

They were an attraction at all home games and also at Mapletown and North Union. Honors were shared with Waynesburg High School on Cumberland's field when Waynesburg College played. Mr. Franks is now preparing the band for a band concert scheduled for April first, as well as parades on Mitchell Day, May day and Memorial Day which will complete a very busy year.

NATIONAL HONOR SOCIETY

The National Honor Society was founded by the department of Secondary School Principals. The Cumberland Chapter was estab ished in 1933. We have been a charter member since 1938.

Only junior and seniors are eligible to membership in the Society. Juniors must have 9 A's, 5 scholastic and 4 activity; the seniors 15 A's, 8 scholastic and 7 activity.

Since only fifteen per cent of the junior class can be admitted, the plan of induction this year has been changed a little. Instead of taking in every student who had the sufficient number of A's, a list of candidates was given to the instructors who voted on them. The first fifteen per cent who had the highest number of votes was accepted by the Society. These selected few were given a membership card and pin.

Mr. Kerr is the sponsor of the Society and officers are: Evelyn Bodovinac, president; Barbara Condit, vice-president; Florence Bodish, secretary-treasurer.

FOOTBALL 1946

The 1946 MIKES football squad of Cumberland Township High School met on August 19 when Coach "Al" Cree called for the first practice session of the season. About 55 boys reported on the first day and of this number 44 remained the entire season. With the return of five lettermen, Coach Cree and assistant "Joe" Czajka proceeded to build a team which turned in a good average by winning five games, tying one and losing three.

The MIKES got off to a bad start, when against a powerful and more experienced Masontown eleven, they were defeated 33-0.

In the next contest the MIKES came out victorious by defeating the East Bethlehem Bulldogs 21-0.

The MIKES had very little trouble in subduing California by a 26-0 score in their third game.

The fourth game with heavier, and more powerful Trinity eleven, the MIKES suffered their second defeat 19-0.

The squad engaged one of our county rivals, Mapletown, who in the last seconds of the game tied us. The score, 7-7.

The MIKES entered this game as the underdogs, but completely out played, and out fought their ancient rival Jefferson to beat them 14-0. The first time since 1940.

The MIKES also entered the Waynesburg game as the underdogs, but snapped the winning streak and knocked Waynesburg out of the WPIAL Class A race by the score of 13-0.

Due to many injuries confronting them the MIKES lost a hard fought game to North Union 21-6.

Members of the squad who are graduating are: Koballa, Bishop, Jackson, Doody, Rutter, J., Clarchick, Haney and Udovich.

Koballa, center and captain, saw action for four years on the Blue and Gold Eleven. Two veterans who returned to school and played were L. Udovich and R. Matras.

High-lites of the year were three long runs made by the backfield men. R. Palcko leads with a 95 yard punt return. A 60 yard touchdown run by Bob Doody, and a 55 yard touchdown run by R. Curtis. The kicking toe of R. Matras was very consistent. H. Jackson's quarterbacking was very commendable. Koballa was very fine in his leadership as captain. The linemen were commendable for their fine blocking and tackling.

Boys making the All County First Team were E. Koballa—center, and Robert Rutter—end.

Boys on the All County Second Team were: H. Jackson, E. Palone, and R. Curtis all backfield men. Honorable mention went to: M. Bishop, R. Doody, L. Udovich and R. Palcko.

BASKETBALL 1947

The MIKES, of 1947, coached by Al Cree, have the distinction of being the third team to represent Cumberland Township High School at the annual WPIAL Tournament.

Of the starting five members, three were regulars from the season before. They were Novotny, Mason, and Tarlosky. The other two members of the team are Palcko and Lucas.

In winning the section, Cumberland defeated Masontown, West Bethlehem, East Bethlehem, and Centerville, twice. They defeated Jefferson and Mapletown once.

On the All-Section 15 Team the MIKES placed three out of the five boys composing the first team. The Creemen who made the team were J. R. Lucas, J. Novotny and M. Mason.

In the first round of the WPIAL play offs, the MIKES defeated a favored Vernon five.

The second round found the MIKES defeated by two points in a game that had the fans on their feet from the beginning to the final whist'e.

BASEBALL 1946

With the second consecutive year of baseball in the Cumberland High School, the MIKES under the excellent leadership of Coach Cree had a very successful season. The MIKES won thirteen out of fourteen games. The first two games of the year were exhibition games with German Township and Brownsville.

The MIKES won ten games of a ten game schedule, thus taking Section with no defeats, setting a record in High School baseball.

The team was as follows: Warrick, Christy, Masuga, Negria, Latsnic, Palcko, Korcheck, Lasko, Wilson, Ketchem, and Markiewich. The MIKES entered the WPIAL play offs, and drew South Union at the MIKES field. South Union won, but used an ineligible player so the game was forfeit-

ed to the MIKES. In advancing to the second round the MIKES went to Charleroi, where they played Charleroi, section ( ) champs, who pitched their ace, Bakatis, who knocked the MIKES out of the race.

High lights of the year was the powerful batting of Paul Negria, who was the only boy from the MIKES squad who made the all section baseball team. He also received the award (By the newspaper, Greene Countain) as the most outstanding High School baseball player in the County.

"Dutch" Warrick entered baseball hall of fame by pitching a perfect no-hit-no-run game against Jefferson on April 18. Then on May 8, in a game which was called at the end of the fifth, he also had his opponents hitless and runless.

Coach Cree lost by graduation Lasko, Lastnic, Masuga, Wilson, Negria, and Warrick. He is left with four lettermen around who to build another Championship team.

TRACK 1946

The Track Team was well represented with lettermen from the previous season when called to practice by Coaches "Al" Cree and "Joe" Czajaka.

After a short period of practice a team was picked to represent us in a meet between the MIKES and Jefferson. The Jeffs had a reputation in this section of the state for their strong track teams. After the points were added at the end of the meet the score read Cumberland 70; Jefferson 36. The high light of this meet was taking first, second, and third place in the Javelin. A department in which Jefferson was traditionally strong. A few weeks later on May 8, the Annual Greene County Meet was held at the MIKES stadium.

The three teams represented that day were Cumberland, Jefferson, and Mapletown. The MIKES won the county meet. And the scores were as follows: Cumberland 70½, Jefferson 33½, and Mapletown 4 points. The MIKES went to Mt. Lebanon, and participated in the annual WPIAL Class B track meet. M. Mason never having run the low hurdles before did very commendable work in placing third for the MIKES. The boys placed in the meet at follows:

440 yard	Bodnar	3rd place
100 yard	Curtis	4th place
100 yard	Anderson	5th p'ace
Javelin	Jackson	1st place
High Jump	Lasko	2nd place
Half Mile	Vilencia	4th place
110 yard Low Hurdles	Mason	3rd place

Donald Lasko and H. Jackson went to the State WPIAL Class B meet at Penn State College. Jackson placed fifth in the Javelin and Lasko was tied with others for 3rd place.
